2. (Unclassified - JSW) Met with Larry Conrad in an effort to be of assistance to Senator Bayh before the Subcommittee meeting on S. 1035. Evidently, however, there was not a quorum. This was put over until some unannounced time.

3. (Internal Use Only - JSW) Mr. Robert Michaels, House Appropriations Committee staff, advised that Representative Mahon would like a meeting of the CIA Subcommittee of House Appropriations with the Agency at nine o'clock tomorrow morning. I confirmed this with the Director and set the necessary arrangements in motion.

4. (Internal Use Only - JSW) Mr. Michaels handed me a letter addressed to the Director from Representative Mahon asking for some personal thoughts on the Soviet position in the world.

6. (Internal Use Only - JSW) Talked to Carol Tuchmann, in the office of Representative Ogden Reid, who indicated the Congressman was wondering if we had any additional information on the reports on the death of the American, [Redacted] at the hands of the North Vietnamese. I indicated we had nothing on this beyond what the State Department would have and suggested they be in touch with Chet Cooper with whom Mr. Reid had previously discussed the case some time ago.
